Volunteer Expression of Interest

Thank you for your interest in becoming a volunteer at The Butterfly Foundation. To register your interest please complete and return this form together with a short resume outlining your volunteer and/or work experience to date to hr@thebutterflyfoundation.org.au

It is important to note that, to protect your health and/or safety, Butterfly does not generally accept volunteers who have an existing eating disorder, or who have recently recovered from an eating disorder. Our general guidance is that volunteers need to be highly recovered – i.e. they have not experienced significant eating disorder behaviours or thoughts for at least 2 years.

If you are offered a volunteer position, please note that it is a condition of the Butterfly Foundation that all employees and volunteers hold a current Working With Children Check.
